

ROUGHCOTE HALL FARM

Part of Trusted Hands Care Group

CARE AND SUPPORT

- Roughcote Hall Farm provides specialist residential care for adults with learning disabilities, physical disabilities, autism, mental health needs, and more complex support requirements.
- At the home the focus is on creating a strong sense of community where people feel safe, valued, and truly at home.
- Our experienced staff team is committed to delivering the highest standards of care while building meaningful, trusting relationships with each individual.

THE HOME

- Roughcote Hall Farm is set within 3.5 acres of peaceful grounds in the Staffordshire Moorlands
- The home accommodates nine residents
- Every bedroom overlooks the surrounding countryside, with daily views of local wildlife such as deer, foxes, birds, and squirrels
- There are shared spaces including an activity lounge, sun lounge, and kitchen, supporting relaxation, socialising, and daily activities
- Rated 'Good' by the CQC
